2. Introduction

a. Company History

Mr. B.A.C.Sujeewa Senarathna founded Seraya Shipping (Pvt) Ltd in 2010 to recruiting Seafarers to his friendly shipping principals. In the year 2012 Seraya Shipping (Pvt) Ltd became registered Shipping Company in Sri Lanka and launched the operation to recruiting well qualified seafarers to worldwide Shipping Companies.

b. What the company does

Seraya Shipping holding registered crew pool at present consists of approximately over 3000 seafarers with nearly 800 on a standby list to recruit them any circumstance. Over 600 crew members are employed at sea at any given time.

We follow a well defined and stringent selection procedure which ensures that only the most qualified and best disciplined seafarers are recruited.

The selection procedure consists of a series of interviews conducted by an experienced panel of marine professionals. The interview process guarantees a thorough evaluation of the applicant's professional competency and trade tests may also be conducted to assess required skills. Further all selections are under the StCW, IMO & MLC 2006 and drug & alcohol test is compulsory for any seafarer who recruiting by us. English language test is the other compulsory requirement for our seafarers and candidates must have positive reference from their previous employers.

Potential seafarers who are in need of training are encouraged to follow professional courses at the Colombo International Nautical and Engineering College now known as the CINEC Maritime Campus, one of the best equipped training facilities in Asia that is conveniently located in close proximity to the capital city of Colombo.

Further to Seafarers recruitment and placement services (in addition to the shipping agency) Seraya Shipping (Pvt) Ltd conducting ship repairing and maintenance with qualified staff in dry docs or any work location on requirements of Local & worldwide shipping principals.

We are proud to state that Seraya Shipping (Pvt) Ltd received all the necessary certifications such as local shipping license to operate as a Shipping agent in Sri Lanka, ISO 9001:2008 & MLC 2006.

The services elements and over 20 years experience for marine sector was brought by Mr. Sujeewa Senarathna, Chairman/Managing Director of the Seraya Shipping (Pvt) Ltd, which took place along with Seraya Shipping in a practice of our operations and will be encourages of valuable clients.

3. Strategy

a. Vision statement

To be a leading competitive shipping company in the region, setting high level standards in the industry.

b. Mission statement

To provide the highest level of service to our customers, in order to build a trustworthy and long lasting relationship.

c. Quality policy & objectives

We place a premium on '**Quality Always**' as it is a stress on this single factor that has helped us reach our success within last few years. Therefore, we believe quality first at all the time.

- A true commitment to quality that runs through every aspect of our business every single day and which has been highlighted with the company being awarded ISO 9001:2000 certification, with successful re-auditing every single year...
- Systems and infrastructure that are being constantly streamlined to ensure that Seraya Shipping remains as the industry standard on quality
- Quality First is also aptly seen in all of our recruitment efforts as well where we guarantee our principals a pool of well qualified and competent seafarers who often surpass the principals' own stringent recruiting standards

4. CHAIRMAN/ MANAGING DIRECTOR'S MESSAGE

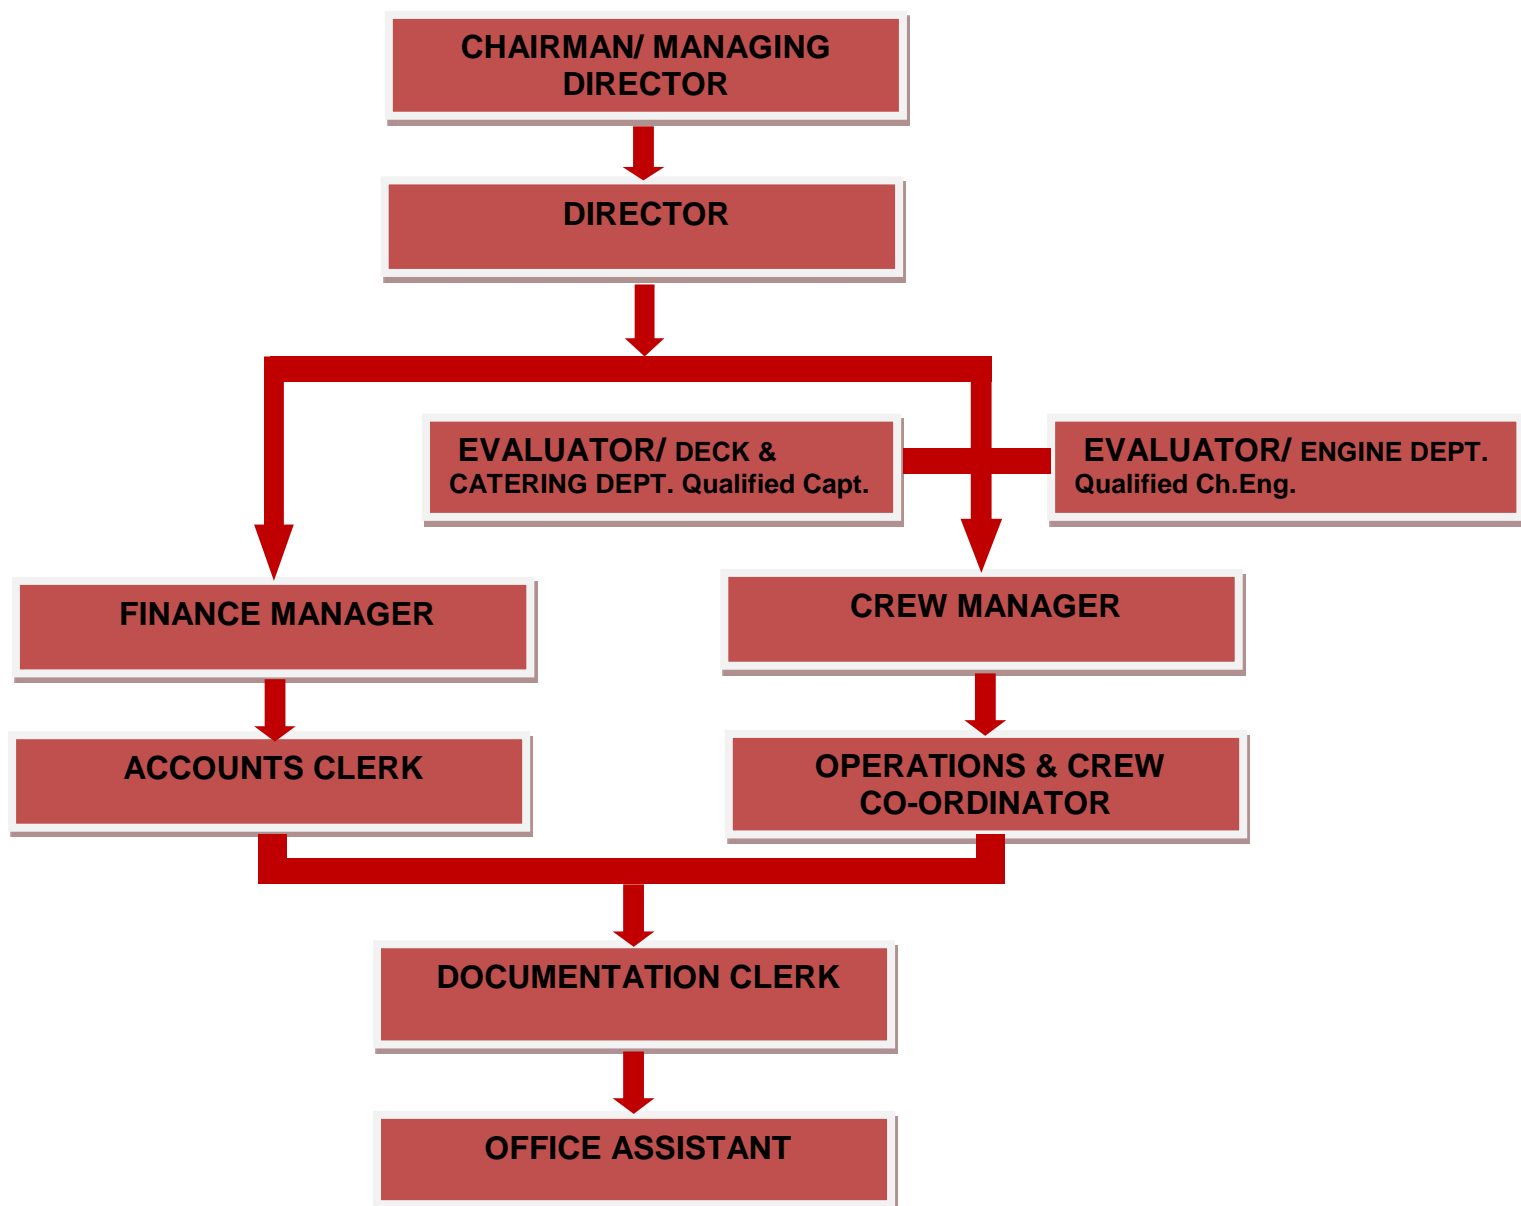

Seraya Shipping is the Government approved manning agency and holding all the applied certifications from competent authorities. As a Chairman/ Managing Director of this Company I always believe "**Quality first**" concept for any business activity under the Seraya Shipping. On this concept we are thoroughly selecting our Seafarers on their job knowledge, experience, personality & discipline.

We have registered crew pool at present consists of approximately over 2000 seafarers with nearly 200 on a standby list to recruit them any circumstance. Over 200 crew members are employed at sea at any given time.

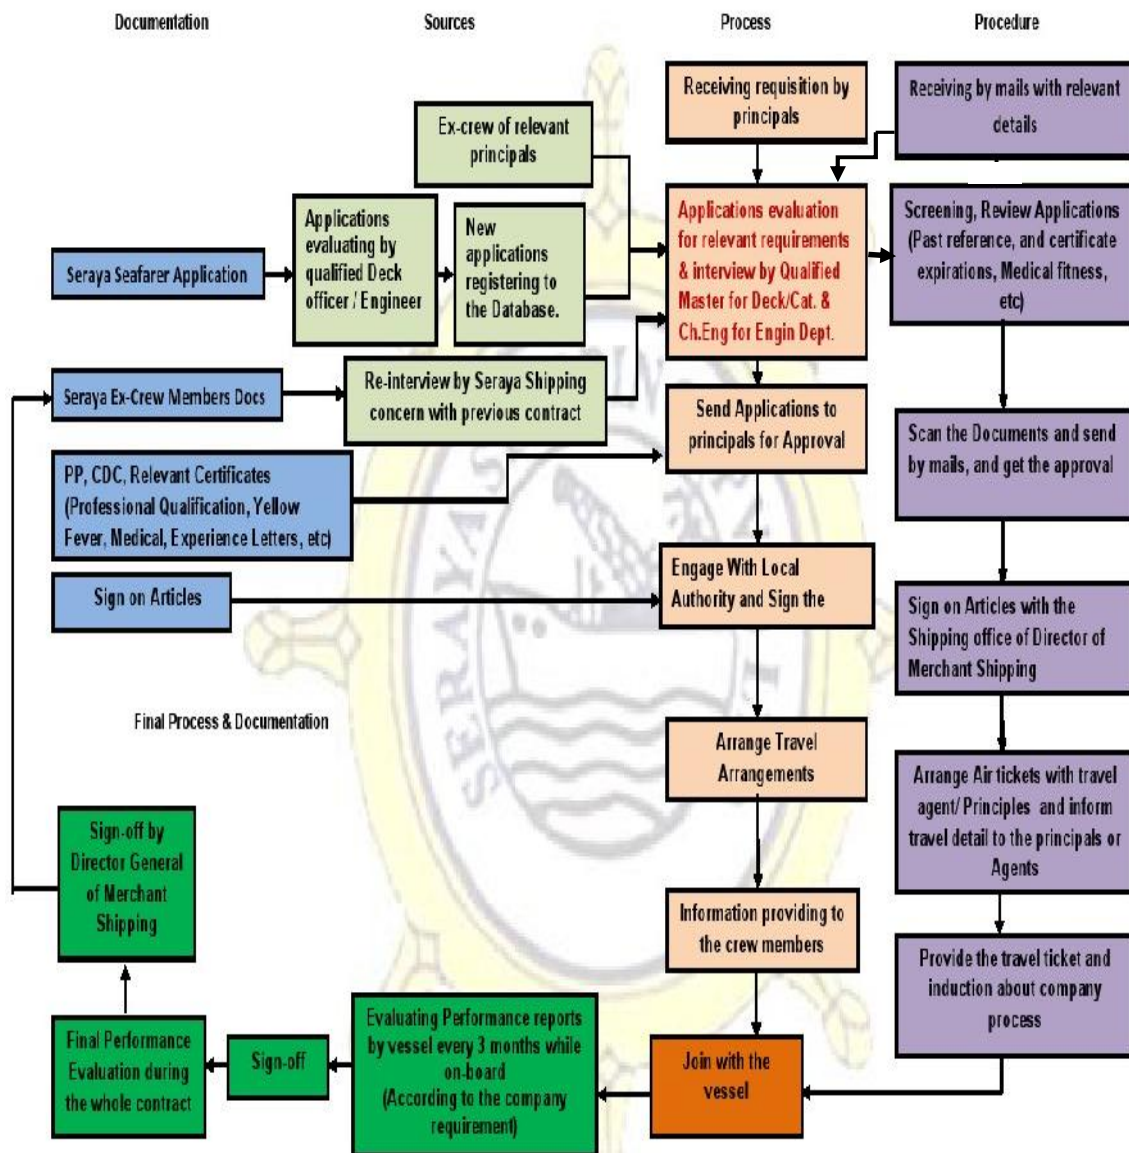

My experience in this marine sector as a **Senior Marine Engineering Officer** more than 20 years, I keep encourage with ship owners, Managers, Principals or whoever seeking my honest service for their companies.
